Gravity
WALL SCULPTURE

Welcome to the **Inaugural Artisan House e-Newsletter!**

Each quarter, we'll be bringing you some quick hits of information that we think you'll find interesting. In this issue, you'll find some of our **hottest new designs** and a product spotlight on our **Indoor/Outdoor designs**. In our Meet the Artist section, you'll have a chance to get to know our head designer, **Shawn Coffey** as he shares his inspiration and background. Finally, learn about our **new European office** as we expand **Artisan House overseas**. We hope you enjoy it!

Double Trouble

Product Spotlight

Meet the Artist

C. Jeré Signature Designs Help You Take the Indoors Outside

Extending your living room to the outdoors is one of the season's hottest trends, especially as more and more of us opt to stay home for our vacations or "staycations."

"We're seeing an increased demand for indoor/outdoor designs as people are choosing to furnish their patios and outdoor living spaces like never before," said John Shilling, President of Artisan House. "It's one of the few bright spots in the furniture and home furnishings industry right now."

Artisan House Head Artist Coffey Reveals the Inspiration Behind His Adventurous Body of Artwork

Imagine the thrill of being the "**boy-from-New-Mexico-who-makes-good**"! Shawn matured from a 13-year-old by the moniker of "SLik" who experimented with graffiti art in Albuquerque's South Valley neighborhood. He now holds an enviable position as one of the nation's top metal artisans and head artist for Artisan House, Inc.®, California-based designers and crafters of unique, fine-quality metal sculptures for wall, floor, and tabletop.
